Who can benefit from AATC services?

THE GOAL SETTER - Because we want to be our best

- Professors and classes move quickly
- Attending weekly can help you organize your study schedule and give you time to practice.

THE WORRIER - Because anxiety is real

- Schedule regular weekly appointments with tutors and specialists for individualized attention.
- Peer support through the community of classes and drop-in tutoring.

THE PROCRASTINATOR - Because we've all been there

- Schedule an appointment in advance, and you'll have to show up
- Stop into a virtual drop-in room to ask that last minute question you still have.
